20 June 1974

This is to certify that on 5th June 1974 I have presented the set of bagpipes, which I played as Lord Lovats personal piper on 'D' Day 1944, to the Association pour La Sauvegarde du site et le Maintien du Souvenir de "Pegasus Bridge". They are for display in the Exposition du Pont Benouville "Pegasus Bridge" and I, or the Commando Association, would wish to be consulted if it was intended to move them from this Museum.

Signed:

*William Millin*
